!!!FOR IMMEDIATE RELEASE!!!

August 30, 2021

The Granville County Republican Party is very excited to announce that for the first time in our 275-year history, Clerk of Courts Yancey Washington has officially decided to #walkaway from the radical, left-wing Democrat Party and join the ranks of the Republican Party.

Clerk Washington is the most recent sitting elected official to join the Republican Party.

Sheriff Charles R. Noblin Jr., School Board Chairman David Richardson, School Board member Amanda LaBrecque and District Attorney Mike Waters have all become Republicans in recent weeks.

Democrats support of the radical "Defund the Police", "Reimagine Policing" along with their anti-family, anti-America socialist agenda are some common themes the Granville County elected officials have stated as their reasons to #walkaway and join the GOP. Hundreds of Granville County residents have echoed their reasons for rejecting the Democrat Party and have registered as Republican in the past months.

We believe the ongoing Afghanistan debacle, the ongoing crisis on our southern border, skyrocketing inflation and the historic move by our Sheriff, District Attorney and School Board members will influence other sitting elected officials, and scores of residents to switch to the Republican Party in the weeks ahead.

We are delighted to welcome these four new Republican office holders, as well as Candidate for Creedmoor City Commissioner Robert Way to our GOP family. It is clear, Granville County residents reject the radical policies of the national, state, and local Democrat Party, which do not mirror Granville County values. We invite citizens who support limited government, our law enforcement officers, strong national defense, border protection, lower taxes, the Second Amendment, and the sanctity of life to join us. They will find a home in the Granville County Republican Party.
